BLACKWOOD'S MAGAZINE

BLACKWOOD'S MAGAZINE
And the British Quarterly Reviews.

PREMIUMS TO NEW SUBSCRIBERS!

OWING to the late revolutions and counter revolutions among the nations of Europe, which have followed each other in such quick succession, and of which "the end is not yet." the leading periodicals of Great Britain have become invested with a degree of interest hitherto unknown. They occupy a middle ground between the hasty, disjointed, and necessarily imperfect records of the newspapers, and the elaborate and ponderous treatises to be furnished by the historian at a future day. The American Publishers, therefore, deem it proper to call renewed attention to these Periodicals, and the very low prices at which they are offered to subscribers. The following is their list, viz:

THE LONDON QUARTERLY REVIEW,

THE LONDON QUARTERLY REVIEW,
THE EDINBURGH REVIEW,
THE NORTH BRITISH REVIEW,
THE WESTMINSTER REVIEW,
AND
BLACKWOOD'S EDINBURGH MAGAZINE.

THE WESTMINSTER REVIEW, and
BLACKWOOD'S EDINBURGH MAGAZINE.
In these periodicals are centained the views, moderately, though clearly and firmly expressed, of the three great parties in England—Tory, Whig, and Radical. "Blackwood" and the "London Quarterly" are Tory; the "Edinburgh Review," Whig; and the "Westminster Review," Liberal. The "North British Review" owes its establishment to the last great ecclesiastical movement in Scotland, and is not ultra in its views on any one of the grand departments of human knowledge; it was originally edited by Dr. Chalmers, and now, since his death, is conducted by his son-in-law, Dr. Hanna, associated with Sir David Brewster. Its literary character is of the very highest order. The "Westminster," though reprinted under that title only, is published in England under the title of the "Foreign Quarterly and Westminster," it being, in fact, a union of the two Reviews formerly published and reprinted under separate titles. It has, therefore, the advantage by this combination of uniting in one work the best features of both as heretofore issued.

issued.

The above periodicals are reprinted in New York, immediately on their arrival by the British steamers, in a beautiful clear type, on fine white paper, and are faithful copies of the originals, Blackwood's Magazine being an exact fac-simile of the Edinburgh edition.

PROSPECTUS

"THE SOUTHERN PRESS."

A N ASSOCIATION of sixty three members of Congress, Senators and Representatives, have constituted the undersigned a committee to superintend the establishment of a Southern Press at Washington city, to be devoted to the exposition and defence of southern rights and institutions, the dissemination of correct information as to northern policy, and the course of political affairs generally, without reference to the old party lines of Whig and Democrat. Arrangements are now in progress promptly to insure the issue of such a paper, under the title of

for the conduct of which suitable editors have been engaged, who will also receive the aid of a number of eminent and able contributors.

There will be both a TRI-WEEKLY and a WEEKLY issue, the latter to contain substantially the same matter as the former, and intended to reach those points of the country whose mail facilities are lim-ited.

A DAILY issue will be added hereafter, should it A DAILY issue will be added hereafter, should it be deemed advisable or necessary by the press and people of the southern States.

The paper will not be exclusively political, but will embrace on its broad sheet the general news of the day, domestic and foreign, by mail and telegraph, commercial and agricultural intelligence, literary criticisms, original essays, literary and miscellaneous; and, in short, all those items of general interest the collected aggregate of which constitutes the interesting and valuable newspaper. Great care will be taken to give full and correct reports of the proceedings and debates in both houses of Congress, as well as the action of the local legislatures on the southern question.

A limited number only of advertisements will be received, the main object being to furnish a large amount of reading matter.

The paper will be printed on a sheet equal in size to those of the other Washington papers, and the material will be procured especially for the purpose.

NAVY DEPARTMENT.

BUREAU CONSTRUCTION. EQUIP'T. AND REPAIR. June 24, 1850. BUREAU CONSTRUCTION, EQUIP'T, AND REPAIR, June 24, 1850.

SEALED PROPOSALS, endorsed "Proposals for Timber or Lamber," as the case may be, (paming the yard and class for which the offer is intended,) will be received by this Bureau until 3 o'clock p.m. of the 11th September next, for furnishing and delivering, under contract, at the several many yards hereinafter named, the timber, lumber, and other articles embraced in this advertisement: One-fourth of the whole quantity required at each navy yard must be delivered on or before the first of July; one-fourth on or before the first of September; one-fourth on or before the thirtieth of December, 1851. In case of failure to deliver the articles within the times and in the proportions specified, the furcau or the several commandants to have the right to supply deficiencies by purchase, and the contractor and his sureties to be responsible in twice the contract price.

All the aforesaid timber, lumber, and other articles must be of the very best quality, subject to the inspection and measurement, and in all other responsible in twice the contract price.

All the aforesaid timber, lumber, and other articles must be of the very best quality, subject to the inspection and measurement, of timber for the navy of the United States, (copies of which may be seen at either navy yard or navy agent? soffice.) All articles delivered are required to be, in all respects, satisfactory to the commandant of the yard or station where delivered.

Bidders are particularly referred to the instructions in the "printed rules" alluded to, in framing their offers.

The white oak timber must be rough-squared, according to the growth of the tree; to have no wane exceeding one-fourth of the width of the face of the side as squared. All the yellow pine timber must be of the very best quality of long leaf fine grain Southern yellow pine, to be hewed to a fair edge, and to have no more sap than one-eighth of the breadth of the face from each corner; the contents of all sap to be excluded in the measurement of the timber. The oak must be felled between

the commandant of the yard where the deliveries are made.

Every offer must be accompanied by a written guaranty (the responsibility of the guarantor or guarantors to be certified to by a navy agent or other official person, or by some one known to the Bureau) that, if the offer be accepted, the bidder or bidders will, within ten days after receipt of the contract at the poet office designated, execute the same with good and sufficient sureties to furnish the articles proposed, agreembly to the terms specified in this advertisement, or which may be embodied in the contract. The law of 10th August, 1846, forbids the consideration of all proposals not accompanied by such guaranty.

Bidders are particularly cautioned to endorse their offers as above required, that they may be distinguished from other business letters, in order to prevent their being opened before the day appointed.

All offers not made in strict conformity with this advertisement in every particular, will be considerated.

ered or rejected, at the option of this Bureau.

Those only whose offers may be accepted will be notified, and contracts forwarded without delay. Persons offering are directed to designate the post-office through which they desire to be ad-dressed, and the navy agent to whom the contract shall be sent for execution.
